Letting Go

Written by: Steffany Gretzinger & Gabriel Wilson

Verse:

G#m B
You've brought me to the end of myself
G#m B
And this has been the longest road
G#m B
Just when my hallelujah was tired
E F#
You gave me a new song

Chorus:

E F# G#m F#
I'm letting go, I'm letting go
E F# G#m
I'm letting go, falling into You

Bridge:

E F#
You remind me of things forgotten
G#m F# (B/D#) E
You unwind me until I'm totally undone
F#
With Your arms around me
G#m
Fear was no match for Your love
B
Now You've won me

Outro:

E F#
If I lived a thousand lifetimes
G#m
And wrote a song for every day
F#
Still there would be no way to say
B/D# E
How You have loved me
