You laid down Your life to save us

You took all our shame
Bm
On the cross it was laid
G D
And now You're taking us higher

We go from glory to glory to glory

We'll never be the same

We're forever changed,

Forever changed

Bm G D
You call me Your friend
Bm G D
Brought into Your endless kingdom

Bm G D
By the blood I was made

No longer a slave

Until we reach that day

We'll shout an anthem singing Holy, Holy

And now You're taking us higher
