   G#m F#   D#m
My past embraced
   G#m F# D#m C#
My sin   forgiven
    G#m   F#   D#m
I'm blameless in Your sight
    G#m F# D#m C#
My history rewritten

Chorus

D#m F#/A# B   F#sus F#
You delight in showing mercy
      D#m F#/A#   B   F#
And Mercy triumphs over judgment
D#m F#/A# B   F#sus F#
You delight in showing mercy
      D#m F#/A#   B   F#
And Mercy triumphs over judgment

Verse 2

    G#m F#   D#m
Oh, Love, Great Love
G#m F#   D#m   C#
Fear cannot be found in You
            G#m F# D#m
And there will never be a day
      G#m   F#   D#m   C#
You're uncertain of the ones You choose

Chorus

Bridge

G#m   F#   C#
So I will awake, and spend my days
                             G#m
Loving the One who has raised me up
G#m   F#   C#
From death to life, from wrong to right
                            G#m
You're making all things beautiful
