Getting There
Written by: Steffany Gretzinger, Amanda Cook, & Maggie Ritchie

Verse 1:
Dm        F
Further seems forever
    Bb        C
Until you’ve seen, until you get there
    Dm        C        Bb
Until you feel a promise land beneath your feet

Dm        F
But there’s a reason for the journey
    F/A        Bb
There is purpose in the learning
    Dm        C        Bb
That not everything in life comes naturally

No, not everything in life comes easily

Chorus:
Dm        F
We’re getting there
    Bm        C
We’re determined to discover
    Dm        F
All that You have hidden for us
    Bb        C
Along the way
    Dm        F
We’re getting there
    Bb        C
And Your presence is the promise
    Dm        F
There is nothing that can stop us
    Bb        C
We’re on our way
Verse 2:

Dm         F
We’ve tasted of Your goodness
Bb         C
We know that You are for us
Dm    C  Bb
We can hear the sound of Heaven cheer us on

Dm         F
Every day begins with mercy
Bb         C
Every moment filled with beauty
Dm    C
Knowing You have gone before us
Bb
We press on

Knowing You believe in us

With confidence we run

Bridge:

Dm     F    Bb     C
We will see You in the land of the living
Dm    C      Bb       Gm
We will find You in the mystery
Dm     F    Bb     C
Your presence is the joy set before us
Dm    C    Bb
For now and all eternity

Outro:

Dm     F    Bb
We won’t stop running, running

We won’t stop running after You
